 Other
- Lower Murrumbidgee  
 Lower Murray  
 Lower Lachlan  
 Other

- It is assumed that all water listed for sale is available in the sellers water account and can be transferred to the purchaser at time of approval
- The seller is to pay a selling fee of 5.5% (inc GST). No commission payable by buyer
- The buyer is to pay all transfer fees (State Water Transfer Fees are \$50 + \$0.50 per ML to a maximum of \$150.00 per transfer)
- The money will be held in Water Exchange Australia Pty Ltd Trust Account on the vendors behalf until the water transfer is approved at which time money will be transferred to the vendor
- If you would like to purchase any of the above parcels of water please click on the Buy Water icon and complete the form online (or download and return by fax). Once your information is received we will promptly contact you to confirm your request and the availability of water
- If you would like to list water for sale on our website please click on the Sell Water icon and complete the form online (or download and return by fax). Once your information is received we will promptly contact you to confirm your request
- Please note that we endeavour to have the information on the website as accurate and up to date as possible however, there may be delays in the listing of information

**Please fax the completed form to us on 02 6931 9897**
